## Our mortgages

### Competitive mortgages for a variety of landlords

Our products are underpinned by clear criteria with no surprises, so you'll always know where you stand.

Support for a range of landlords and property types

Small or large portfolios, limited companies, individuals, first-time buyers and first-time landlords.

More certainty earlier

Quick and consistent decisions with our instant DIP, plus our buy to let calculator includes a background portfolio check.

100% online

Our simple online application process will speed you up, not slow you down.

Excellent service delivery on each case

We know your time is precious, so our broker support team is here when you need them through live chat or on the phone.

### Criteria highlights:

- **Provide up to 80% LTV**
- **No minimum income for loans less than £1m\*** – Applicants can be employed, self-employed, contractors or receiving pension income. \*Minimum income for first-time buyers is £30,000 per annum.
- **Top slicing gives more affordability options** – Top slicing available for non first-time buyer prime borrowers.
- **Day one remortgages** – Applications accepted where the loan purpose is to repay an existing bridge with the loan amount based on the post works valuation.
- **Accept a range of property types** – Including houses, flats, new builds, HMOs (up to 6 bedrooms) and MUFBS (up to 6 units).
- **£ for £ remortgages** – Applications up to 80% gross LTV assessed at pay rate, helping your client with affordability constraints on short-term fixed rate products.
- **We value the experience of portfolio landlords** – No extra forms to fill in, just a few additional questions in the application to ensure we fully understand your client.

## Top slicing

Providing flexibility for your client to use their income to top up a rental shortfall.

We pride ourselves on having a smarter, faster, simpler approach to lending, applying common sense to help brokers help their clients.

One of the ways we demonstrate this is by allowing a borrower to use surplus disposable earned income to 'top up' a rental shortfall if the rental income generated by the property is insufficient to meet the minimum rental cover requirement.

This gives your clients more flexibility around the amount they can borrow.

### Additional information

- Top slicing is available across all buy to let products, including limited company applications.
- Top slicing is available to all prime customers.
- The interest coverage ratio based on rental income only must be a minimum of 110% when calculated using the pay rate of the selected product.
- The repayment method must be interest only.
- Proof of earned income is required.
- Not available on first-time buyer applications.

Use our buy to let calculator to determine the rental coverage required or if surplus income can be used.

<b>Missed unsecured loans/product repayments</b>	0 in 12 months
<b>Active Payment Arrangements</b>	Nil

**Additional exclusions:** borrowers currently in arrears or have historically defaulted on a product supplied by any other Chetwood Financial Limited brand.

## Affordability

### Interest coverage ratio (ICR)

The minimum amount of rental cover (ICR) is dependent on the borrower's income tax band (highest tax band on joint applications) at the rates shown below:

Tax band*	ICR rate
<b>Basic rate</b>	125%
<b>Higher and additional rate</b>	140%
<b>Limited companies</b>	125%

\*The customer's tax band should be based on all validated current income plus gross rental income (excluding any deductions) from all rental properties, including the security. Please refer to our online buy to let calculator for further guidance.

The interest rate used in the ICR calculation is determined by the chosen product as follows:

- 5 year fixed rates assessed at product rate.
- Variable rates or short-term fixed rates assessed at product rate plus 2%. Minimum 5.50%.
- Where the borrower is remortgaging an existing buy to let loan without additional capital raising, then the ICR can be calculated using the product rate for applications up to 80% gross LTV.

Where more than the rental income is needed to meet the minimum rental cover requirements, we may reduce the loan amount accordingly.

### Top slicing

- Where the property rental income alone is insufficient to meet the minimum ICR requirement borrowers can use surplus disposable earned income to supplement the rental shortfall.
- Proof of earned income is required.
- To qualify for top slicing, the property must achieve a minimum ICR of 110% when calculated using the pay rate of the selected product.
- Top slicing is available across all buy to let products, including limited company applications.
- Not available on first-time buyer applications.
- Top slicing is only available to prime customers.
- The repayment method must be interest only.

## Portfolio landlords

A portfolio landlord is a borrower with four or more distinct mortgaged buy to let properties (or has three, plus one pending purchase application with ModaMortgages).

The following should be included in the number of properties a portfolio landlord holds:

- All mortgaged buy to let properties owned by the applicant, whether jointly, in their sole name or by a company of which they're a director or shareholder.
- Any property owned on a residential basis with consent to let
- If the application is for a limited company, properties owned by the company's directors and shareholders, or owned by other companies of which the directors/shareholders are a shareholder or director.

As part of our underwriting process, we'll assess an applicant's portfolio based on their circumstances and consider the impact of future interest rate increases. ICR and LTV requirements are as follows:

	Personal ownership	Limited company
<b>Minimum portfolio ICR% @ 5%</b>	140%	125%
<b>Maximum portfolio LTVs</b>	80%	80%

### Portfolio lending limits

- Aggregated buy to let exposure (with ModaMortgages): £10m.
- Maximum buy to let portfolio size (with ModaMortgages): Unlimited.
- Maximum buy to let portfolio size (external): Unlimited.

Subject to underwriting review and assessment.

## Placing business

We'll get you from DIP to completion smarter, faster and more simply in six easy steps.

With our 100% online processes and specialist case handlers, you can be confident that we'll save you time and impress your clients along the way.

1

### Submit a Decision in Principle (DIP)

Our streamlined forms only ask you for essential information, saving you time and giving you a decision you can count on.

2

### Move to full mortgage application

If you're happy with the DIP, convert it to a full mortgage application at the click of a button. Our handy submission checklist on the following page shows all the documents we need you to submit to get started.

3

### Underwriting

Our team of specialists will review your case quickly. Our case managers will contact you if we require any further documentation or information. If you need to speak to us, we're at the end of the phone.

4

### Valuation

To speed the process up we'll complete a desktop valuation for remortgage applications on standard properties that meet our eligibility criteria. If there's any reason we can't complete a desktop valuation we'll let you know there and then. If we need to complete a physical valuation, our team will instruct this for you.

5

### Offer

Once we're happy that everything's in order, we'll send the mortgage offer to you by email. You'll also find a copy in the broker portal as well.

6

### Completion

Once funds have been transferred, the case is complete - our servicing team will welcome your client to ModaMortgages. We aim to get procurement fees paid within two working days of completion.

# Submission checklist

If you have any questions about submitting a case, please contact our sales team.

<b>If the deposit source is an intercompany loan</b>	Signed intercompany loan agreement

**We reserve the right to request additional documentation not listed above during underwriting.**

## Valuation fee scale

To speed the process up, we'll complete a desktop valuation for remortgage applications on standard properties that meet our eligibility criteria. Where this isn't possible, we'll complete an in-person valuation using the fee scale below.

In some cases we may not get enough information from the desktop valuation and may need to conduct a physical valuation too. Should that be the outcome, we'll get in touch with the valuation contact you provided in the application. We'll not charge your client an additional valuation fee.

We'll confirm the valuation type and fee during the application process.

**A non-refundable application fee of £180 is payable on application.**

**Desktop valuation fee: £185**

**Physical valuation fee scale:**
