**By applying for a mortgage I affirm the following statements:**

### 1. Applications and Representations

The Lender reserves the right to reject my application without giving any reason except where legally obliged to do so, or withdraw any offer of mortgage, without giving any reason. No person (other than an employee of the Lender) is empowered to make any representations or give any undertaking on behalf of the Lender in relation to the mortgage applied for and the Lender shall not be liable for any such representations or undertakings made.

### 2. Intermediaries

I agree that if a third-party intermediary submitted this application on my behalf the Lender may liaise with, and supply information to, this third-party about any matters connected with my mortgage application and my mortgage, including any complaint about my mortgage application or mortgage, unless otherwise instructed by me.

### 3. Valuation

That even though I may be provided with a copy of the Valuation Report by them, the Lender and the Valuer accepts no responsibility to me for the accuracy of any Valuation Report in respect of any property. Any such Valuation Report is not a Building Survey or a Survey and Valuation and is intended for the Lender's valuation purposes only, with limited information because of the nature of the inspection. If advice about the structural condition of a property is required, a Building Survey or Survey and Valuation must be obtained by me.

### 4. Privacy Notice

1. There is a joint application
2. I advise the Lender of a financial association with another person
3. Credit Reference Agencies have existing linked or associated records.

This "association" will link records at credit reference agencies and may be taken into account in any future credit applications made by the relevant individuals. This shall continue until one person applies to the credit reference agencies and is successful in filing a "disassociation". Therefore, I MUST ensure when making a joint application or advising the Lender of some other financial association that I am entitled to:

1. Disclose information about joint applicants and anyone referred to by me
2. Authorise the Lender to search, link or record information at credit reference agencies about me and anyone referred to by me.

### 6. Assignment

The Lender may, without notice or consideration, transfer, assign or otherwise dispose of either in whole or in part, its rights in respect of any loan, mortgage or policies of life assurance or other security made in connection with this mortgage application to any company, person, or body.

### 7. Declaration

I declare that, as far as I know and believe, the information I have given in this application is true and that if I provide any false, inaccurate or misleading information it may constitute a criminal offence on my part, which may lead to a criminal prosecution, and imprisonment and/or a fine; further, that it may lead to a civil action against me for recovery of any losses that the Lender incurs.

In this notice we provide examples of how personal data is collected and how it is used. More information on this can be found by reviewing our **full privacy policy**. You can also contact our Data Protection Officer if you have any questions about this notice, would like further information about the points raised or to exercise any of your rights.

From time to time, and in particular when you provide us with additional personal information or add additional products, we may also provide you with additional service specific information about the use of your personal data which should be read alongside this notice.

#### Our full privacy policy

It is important that you understand how the personal information you give us will be used. Therefore, we strongly advise that you read our **full privacy policy**, which is available at [www.aldermore.co.uk](http://www.aldermore.co.uk), or you can ask us for a copy.

#### What personal data do we collect from you and how do we collect it?

We may collect certain personal data which (either on its own or when combined with other information we hold about you) allows us to identify you as an individual and which is about you. You can see details of the types of personal data we may collect about you in our **full privacy policy**.

We will generally collect your personal data directly from you, or via third parties such as brokers or intermediaries. However, we may also collect data from and/or combine your personal data with information from other sources such as Credit Reference Agencies (CRAs) or fraud prevention agencies, and publicly available sources such as social media and Companies House. You can see details of such other sources in our **full privacy policy**.

#### What do we do with your data and who might we share it with?

We process your data to provide you with the product or service you are using, in accordance with our contract, or to take steps to enter into a contract in respect of a product or service you have requested. We may also use your personal data to comply with our legal obligations, such as detecting and monitoring fraud and other financial crime, and complying with our regulatory obligations.

Some of our processing of your personal data is done on the basis that it is necessary for our legitimate interests in running an efficient and effective bank, including administration, records keeping and governance, improving our products and services and for marketing research and developing statistics, as well as some profiling and automated decision making. We also process your personal data for matters of substantial public interest, such as protecting vulnerable customers or detecting and preventing fraud.

These activities may include sharing your personal data with third party service suppliers such as payment service providers. Other uses of personal data will be to ensure that we can meet our legal and regulatory obligations (and the regulator's expectations) such as meeting audit requirements. We share your information within the Aldermore Bank Group and our contracted third parties who either provide a service to us or you.

We may also, from time to time, ask you for your consent for other purposes, which we will explain to you at the time. Much of what we do with your personal data is not based on your consent and is instead based on other legal grounds. However, for processing that is based on your consent, you have the right to revoke that at any time.

More details about why we use your personal data, who we share it with and how and when you can withdraw your consent can also be found in our **full privacy policy**.

#### Individuals you have financial links with

We may also collect personal information about other individuals who you have a financial link with. This may include people who you have joint accounts or policies with such as your partner/spouse, dependents, beneficiaries, guarantors or people you have commercial links to, for example beneficial owners, directors, shareholders, employees and officers of your company.

We will collect this information to assess any applications, provide the services requested and to carry out Anti-Money Laundering and fraud prevention checks. You can find out more about how we process personal information about individuals with whom you have a financial link in our **full privacy policy**.

#### Transferring data abroad?

We will only send your data outside of the European Economic Area (EEA) to follow your instructions, comply with a legal duty or work with our agents and advisers who we use to help run your accounts and services. Safeguards that we put in place include contractual obligations imposed on the recipients of your personal data to require them to protect your personal data to the standard required in the EEA. More information on this can be found in our **full privacy policy**.

#### How we use credit reference and fraud prevention agencies

In order to process your application we will supply your personal information to CRAs including how you use our products and services and they will give us information about you, such as about your financial history. We do this to assess creditworthiness and product suitability, check your identity, manage your account, trace and recover debts and prevent criminal activity.

We will also continue to exchange information about you with CRAs on an ongoing basis, including about your settled accounts and any debts not fully repaid on time, information on funds going into the account, the balance on the account and, if you borrow, details of your repayments or whether you repaid on time. CRAs will share your information with other organisations, for example other organisations that you ask to provide you with products and services. Your data will also be linked to the data of any joint applicants or other financial associates as explained above. You can find out more about the identities of the CRAs, and the ways in which they use and share personal information at: [www.experian.co.uk/crain/index.html](http://www.experian.co.uk/crain/index.html).

The personal information we have collected from you and anyone you have a financial link with may be shared with fraud prevention agencies who will use it to prevent fraud and money laundering and to verify your identity. If fraud is detected, you could be refused certain services, finance or employment. Further details of how your information will be used by us and these fraud prevention agencies can be found in our **full privacy policy**.

#### Data privacy notices from other organisations

Fraud Prevention Agencies and CRAs will use your personal data to perform their services or functions as data controllers in their own right. These notices are separate to our own.
