Bank of England Base Rate (BBR)	
Our Tracker products and the interest rate payable at the end of any fixed rate period track Bank of England Base Rate (BBR). Interest rates that track the BBR will rise and fall in line with changes to BBR. The interest rate the customer pays will change immediately following a change to BBR.	
All of our BBR tracker products have a floor. This means that if BBR were to fall to 0.00% or less the rate payable will be 0.00% plus the agreed set percentage above BBR. This means that the rate payable will never go below 0.00% plus the additional percentage rate of the tracker product.
