It shouldn't cost the earth to be greener

There's never been a better time to make greener choices to power and heat your home.

Energy saving products that can help reduce costs and reduce a borrowers carbon footprint are available

EPC discounts are available

On completion, Tandem will provide access to educational tools to help borrowers lead a greener, more energy efficient lifestyle

Borrowers can purchase energy saving products from our partners, helping them reduce rising bills and their carbon footprint

After 6 months, borrowers can apply (subject to status) for a further advance to improve their home

A personalised Green Home Plan will be available shortly to show how borrowers can improve their homes energy efficiency, how they could save and how much it might cost
